

## Permaculture Design Course

December 3 – 18, 2010

at the

**Tanjung Sutera Resort  
Johor, Malaysia**

taught by

**Darren Doherty and Christian Shearer**

in partnership with:

This two-week **Permaculture Design Course** will consist of a broad range of topics applicable to life anywhere on this planet, yet will be tailored to the needs of the students at hand.

- » **Ecological Land Management** » **Earthworks** » **Keyline Design** » **Water Catchment** »
- » **Garden Design** » **Forest Systems** » **Soil Food Web** » **Alternative Technology** »
- » **Urban Design** » **Energy Efficient Structures** » **and much more!**

Hosted an hour and half from the Singapore border, in Kota Tinggi Johor, Malaysia, at the **Tanjung Sutera Resort**, this course will deliver a dynamic, systems-focused education while at the same time providing all the comfort of a resort. Accommodations include three delicious meals, private rooms with A/C, private bath, as well as access to wifi and swimming pool on site.

**Costs: US \$1050 - \$1650** for two week program!
